The Annual General Meeting, 2000

The Management Panel at the AGM

The 69th Annual General Meeting - the first of the new Millennium - was held on Saturday 27 May 2000 at 4.30 P.M. Present, were 176 members who were eligible to vote. The run-up to the AGM saw a spate of keen lobbying and canvassing by 25 members vying for election to 12 posts in the Committee that would manage the Club for the 2000-2001 term. Darts...

CSC are Division 1 Champions. Congratulations!

By Jerome Turner,

Captain of CSC Sharks and President of the Singapore Darts Association

"The CSC Sharks have done well in the opening event of the Singapore Darts Association calendar, emerging Division I Champions in the recently concluded Singapore Darts Association League after playing 9 hard-fought matches, winning 56 out of a total of 81 games. The team thanks all Club members who helped the team feel important and also the Management Committee who constantly checked on the team's progress. We will be playing in the Singapore Recreation Club Invitation Event from 14 to 16 July at the SRC premises. The team is also preparing for the SDA National League which commences on 26 June. The fixtures will be posted on the Club's Notice Board soon."

"The team would also like to invite all interested players to try for the team, as we are always on the lookout for new talent. On behalf of the CSC Sharks I would like to thank everybody who helped us win the Championship, especially the members who encouraged the team and told them that they are good enough to be Champions and openly sponsored the team for the love of sport."

Darts players are patronising the Club's Sports Lounge in increasing numbers. The lounge has also been extremely popular with other members as well.
