

## Our Trip to K.L. on 13 & 14 May 2000

Part of the CSC Contingent on the KL Bukit Jalil pitch

Captain of CSC Gurdeep Singh exchanges mementoes with a member of the SUKMA team.

The host SUKMA team from Kuala Lumpur reminded CSC how hockey should be played at Bukit Jalil Turf, KL. Good teamwork and higher fitness level won SUKMA the first of two friendly games organised by CSC during the Premier League season. CSC : 0; SUKMA : 6 was the result of the first friendly. The next day CSC did better, drawing the 2nd game 2 - 2

## SHF Under 18 Tournament on 11 June 2000

Congratulations

The squad

Organised defence helped CSC Ladies, formed last month, to a semi final showing. Our Girls' team played above themselves to secure 1 win, 1 draw and 1 loss, in the Group Games to make it to the Semi-Finals. However, two goals helped Theresians to the 2 - 0 win over our girls in the senior finals.

Our Boys had a harder game. They lost 3 and drew 1, failing to get to the Finals.

Mixed fortunes in the 2000 Premier League saw the CSC failing to achieve its target of finishing in the top three of the League. CSC won 2 and drew 6 and lost 4 games this year. However, we were encouraged by the performance of the team on the whole, considering the fact that we lost some key players before the beginning of the season. We hope to do better next year.
