Meet Our Champions, The 'CSC Sharks'. By R. Selva Kumar

Our Darts team comprises Club members from various professions who meet weekly for training and brain-storming sessions. This enables the CSC Sharks to remain closely knit, which, in turn, fosters a spirit of dedication and commitment.

With support from the Club, the CSC Sharks embarked on its annual competitive mode to take part in several National competitions. The team comprises:

Jerome Turner (Captain), Jitendra s/o Kantilal (Vice captain), Kanan Packrisamy (Treasurer), Hong Tong You, R. Selva Kumar, Lim So Boon, Alex Teo, Robert Gribben, Michael Wong, Balwant Singh, Mardianah Bte Mohd., and Convenor Eric Tan.

The Sharks emerged Champions in the Singapore Darts Association (SDA) League 2000, remaining unbeaten throughout the League consisting of ten teams, **thereby placing Ceylon Sports Club firmly on the Darts map of Singapore.**

In the Annual Singapore Recreation Club (SRC) Inter-Club Tournament in July, the CSC

Sharks showed exemplary skills, darting against teams from Singapore, Malaysia and Sabah. The five players were: Jerome Turner (Captain), Alex Teo, Hong Tong You, Robert Gribben and Jitendra. Eric Tan and some other members were present to lend support to the players. Reaching the finals, the Sharks played against the host themselves. The final result was: CSC Sharks beat SRC 7 games to 2, thereby placing CSC bolder on the map this time.

The CSC Sharks also participated in the Royal Lake Club Merdeka Invitational Darts Tournament held in Kuala Lumpur in August. Pitting their darting skills against teams from various States of Malaysia, they qualified for the quarter finals. CSC players were Jerome Turner (Captain), Jitendra, R. Selva Kumar, Hong Tong You, and Ian Chan. Playing against Kelab PJ they went through to the Semi-Finals and took on the Royal Ipoh Club. Both teams darted well but Sharks triumphed over their opponents to move on to the finals. Playing the Kelab Klang, CSC Sharks emerged runners-up and bagged the Silver.

Presently, the Sharks are taking part in the Annual SDA National League 2000 Tournament and are doing well.

They are planning an Inter-Club Tournament next year. It will be organized on a massive scale with participation from all Singapore Clubs, perhaps even from Malaysia.

Also in the pipeline is an internal darts tournament among CSC fully paid-up members this year. Those wishing to take part are asked to fax their intention to do so, to the CSC at 2999487 or e-mail cscsing@cyberway.com.sg before 10 November 2000, attention Eric Tan, CSC Darts Convenor.
