Soccer

M eet Mutalib, the new CSC Soccer Team Captain. who believes that soccer is a universal language because, "You need to communicate with others in your team regardless of race, language or religion during a game. Thus, through soccer, ties of friendship are bonded."

Mutalib is a great soccer fan who took a liking to the game from his primary 4 days. His favourite soccer players were Cantona,

Rush, Barnes, Fandi Ahmad, Totti, Nakata, Davids and Zinedine Zidane. He feels that even though the CSC is not "blessed with

stars, we believe teamwork is of the utmost priority and the key to success. "I, as the captain, hope to bring out the best of the small, yet maturing team in future tournaments."
